Subject: Technical Approval for Conventional NDT Services

Dear Sir,

Following the Audit and technical evaluation conducted (April, 2015) by the UEOC team on GTIS Company as a provider of conventional NDT service, we hereby confirm PDO approval for GTIS as NDT service provider for PDO projects.

Conventional NDT service includes RT, MUT, PT, and MPI.

N.B :A project/activity specific Audit/Evaluation and Operator/Technique qualification shall be conducted based on the individual project/activity requirements at PDO.

Yours faithfully,

Mr. Saleh Omairy (UEOC5),
Head, Static Inspection and Integrity,
